Weekly Update

Please remember that next week is full of exciting events and extras! Parent/teacher conferences will be held on Tuesday and Wednesday afternoons/evenings. Please be sure to arrive a few minutes prior to your scheduled conference to ensure things run smoothly and efficiently. I am planning on sending home reminders for your date and time. Also, there are two spirit days next week in honor of Bullying Prevention. On Wednesday, students should wear orange and a hat. On Thursday, students should wear their Shamrock gear or anything green! Finally, there is no school on Friday, October 23, because that is the beginning of our Fall Break. There is also no school on Monday or Tuesday, October 26 and 27. School resumes on Wednesday, October 28.

We had a great time enjoying all of the grandparents and important people that came to celebrate with us on Monday morning! We also loved being able to shop at the book fair throughout the week. A special thanks goes out to the NLES PTO for their hard work in organizing and running the Scholastic book fair!

During math this week, we began a unit on shapes and perimeter. We are in the very beginning stages of the unit, and have learned about the special names for some polygons as well as how to sort special types of quadrilaterals. We have learned that perimeter is the distance around a figure and have even practiced finding the perimeter of a polygon.
