## Weekly Update

It has been such a wonderful first week of school in third grade! The week was full of getting to know each other and learning our classroom and school routines and procedures. We began switching rooms for reading on Thursday and that transition has gone well! During reading this week, our focus was mostly on learning those routines that we will use throughout the year while also introducing some of the daily activities that we will do, like Read to Self. We have had the opportunity to use our Chrome-books this week as well, for things like keyboarding practice and math fact practice.

Many students have asked for me to write down the classroom website address. Please find that website address about this box! Also, if you have not already done so, please sign up to receive text message alerts from our classroom. To do that, please send a text to 81010 with the message @iseler. I have also tried to tweet about something that we have done each day to Twitter to keep parents involved!
