We have certainly had a fun tilled week in third grade! On Thursday we enjoyed a classroom holiday party. The snacks were delicious and the games kept us laughing for the entire time! I would like to extend a huge thank you to those parents and people who volunteered to bring something to the party and/or came to enjoy the party with us. These types of events would not be the same without your support and help! We also got to enjoy an afternoon of school spirit and fun today with the all school holiday gathering in the gymnasium. Students loved to watch the events and participate in their own as well!

Your child was given a winter break packet today to complete over winter break if they (or you) so choose! This is not a requirement, but more of a fun way to keep their brains active with the content we are learning in third grade!
