Homework Expectations

Your child should complete the following items for their daily homework in the month of August:

1. Read for at least 20 minutes (it can absolutely be more than 20 minutes though!).

When this has been completed, please write your initials on the designated line in the date box on the calendar. Also, please write the number of minutes your child has read on the reading line.

There may be additional homework on occasion. Please check your child's folder for any additional homework and/or ask your child if there is additional homework for that day.

Thank you!
