Reading Goal For FEBRUARY: 360 minutes

# February

## Homework Expectations

Your child should complete the following items for their daily homework:

1. Read for at least 20 minutes (it can absolutely be more than 20 minutes though!).
2. Practice the math flash cards for five rounds (one round is complete when your child has done each set of facts on their flash card ring).

When these two items have been completed, please write your initials on the designated line in the date box on the calendar. Also, please write the number of minutes your child has read on the reading line and place a check mark on the math line to indicate they have practiced their flash cards.

\*There may be additional homework on occasion. Please check your child's folder for any additional homework and/or ask your child if there is additional homework for that day.\*

Thank you!
