Spelling Words

No spelling words for the week of May 4 - May 8 due to ISTEP testing! Remember to get plenty of rest, eat a healthy breakfast, and follow your regular routine to ensure you are as prepared and ready for ISTEP as you can be!

Weekly Update

It is always so great to see the students work so hard during ISTEP testing. We still have two days of testing left, which will be on Monday and Tuesday of next week. The students will again be provided with a snack on these days. Please continue to ensure that your child is receiving plenty of rest, eating a healthy breakfast, and following their regular routine and schedule.

Also, our classroom has some EXCITING news! Participating in the Pizza Hut Book-It program, reading for at least 20 minutes, and tracking those minutes has really paid off! We are in the top 100 classrooms in the nation for the number of minutes we have read this school year! Our classroom has earned a certificate of recognition, a plaque for the classroom, and a gift card to Pizza Hut! I truly was so proud when I opened the package from Book-It and realized the accomplishment that our students had done! I also wanted to thank you, as the parents, for your hard work and diligence in making sure your child read and initialing in their folders to indicate accountability. We will have a pizza party with our gift card closer to the end of the school year. Students are still expected to read for the month of May, and our new reading goal is 400 minutes. Please continue to help your child remember to read for at least 20 minutes each night.
