Spelling Words

Yay! We have completed all 30 lists of spelling words found in our reading series, Journeys. This means we will no longer have spelling words for the remainder of this school year. However, please continue to encourage your child to continue to read for at least 20 minutes each school night.

Weekly Update

Whew! We made it through ISTEP! Please know how much we appreciate your support during this time for your children. I am beyond proud of the hard work the students put in during testing each day. Seven days of testing is a lot of work and stress for students and this group has handled it so well!

Please continue to encourage your child to read for at least 20 minutes each night in the month of May, as our reading goal this month is 400 minutes. We will celebrate our reading success over the course of the school year at the end of the month with our pizza party from Book-It! Throughout all of the ISTEP assessments, we did continue to have lessons in math on each day. These lessons focused on number patterns and in-and-out boxes. Students were asked to identify the rule and finding missing numbers for number patterns and in-and-out boxes, as well as creating our own number patterns and in-and-out boxes.

May Reading
Goal:
400
minutes
