girl

## Weekly Update

There will be no school tomorrow, Wednesday, November 26, 2014 through Friday, November 28, 2014. I wish you a very happy and safe Thanksgiving holiday! Hopefully you and your children will be able to relax during this small break from school and enjoy some family time!

Although this week was short, we packed a lot of learning in. During reading block, we tackled a Literacy Task that focused on being thankful and the things we are thankful for. We read a story about being thankful and used context clues to determine the meaning of some unfamiliar words within the story. Then, we were able to create our own narrative writing piece about something we are thankful for.

During math block, we began looking at organizing data into three types of graphs, including frequency tables, picture graphs, and bar graphs. We used data that we collected in our own classroom about our favorite Thanksgiving food to practice creating these types of graphs.
